

DECLARATION

I, <sup>70</sup>SAMUEL BOGOCH, declare and say that I am a citizen of Canada, residing at 46 East 91st Street, <sup>702</sup>New York, New York 10028; that I verily believe myself to be the original, first and sole inventor of the improvement in <sup>36</sup>DETECTION OF MALIGNANT TUMOR CELLS described and claimed in the foregoing specification; that I understand the content of the attached specification, and that I acknowledge my duty to disclose information of which I am aware which is material to the examination of this application; that this application in part discloses and claims subject matter disclosed both in my earlier filed pending application Serial No. 553,075, filed February 25, 1975, entitled RECOGNINS AND THEIR CHEMORECIPROCALs, and now abandoned applications Serial Nos. 550,432, filed February 18, 1975; 450,404, filed March 12, 1974; and 385,451, filed August 3, 1973, of which said application Serial No. 553,075 is a continuation-in-part; that, as to the subject matter of this application which is common to said earlier applications, I do not know and do not believe that the same was ever known or used in the United States before my invention thereof or patented or described in any printed publication in any country before my invention thereof or more than one year prior to any of said applications Serial Nos. 550,432; 450,404 and 385,451; that said common subject matter has not been patented or the subject of any inventor's certificate before the date of any of said applications Serial Nos. 550,432; 450,404 and 385,451 in any country foreign to the United States on an application for patent or inventor's certificate filed by me or my legal representatives or assigns more than twelve months prior to said applications.

That, as to the subject matter of this application which is not common to said earlier applications, I do not know and do not believe that the same was ever known or used in the United States before my invention thereof or patented or described in any printed publication in any country before my invention thereof or more than one year prior to the date of this application, or in public use or on sale in the United States more than one year prior to the date of this application, and that said subject matter has not been patented or the subject of an inventor's certificate in any country foreign to the United States on an application for patent or inventor's certificate filed by me or my legal representatives or assigns more than twelve months prior to the date of this application; and that no application for patent or inventor's certificate on said invention has been filed by me or my representatives or assigns in any country foreign to the United States.

And I hereby appoint Paul H. Heller, Reg. No. 21,074 and William J. Speranza, Reg. No. 26,340, whose address is Kenyon & Kenyon Reilly Carr & Chapin, 59 Maiden Lane, New York, New York 10038, my attorneys to prosecute this application and to transact all business to the Patent and Trademark Office connected therewith.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

*Samuel Bogoch*
